Rooted Beauty

Rooted Beauty products leave your skin feeling healthy and fresh. The company was founded with a vision to change the lives of women around the world, freeing them from poverty and more through the Woman2Woman Project. www.rootedbeauty.com

Shea Moisture

Keep locks lovely this winter with various hair masques from Shea Moisture. The Tahitian Noni & Monoi Smooth & Repair Nourishing Masque helps smooth your hair's cuticles and control frizz. The African Black Soap Purification Masque conditions hair while relieving a dry scalp. www.sheamoisture.com

Bioelements

While it's important to keep skin hydrated, you can't discount exfoliation. Bioelements provides products and beauty information to keep you radiant. Its Measured Micrograins offers soothing relief from dry skin without irritation, restoring healthy, bright skin. www.bioelements.com

Sebamed

Look picture perfect with a clear complexion when you use Sebamed's Liquid Face and Body Wash followed by the Clear Face Deep Cleansing Facial Toner. The face and body wash is mild and soap free, providing a gentle cleansing. The toner helps with oil control and tightening pores, while sealing in hydration and sealing out environmental irritants. www.sebamedusa.com

Svelta

Redefine luxury at home with Svelta's Luxe Coffee and Raw Sugar Body Scrub. The balanced blend of almond oil, cardamom seed oil, coffee, olive oil, and organic raw sugar provides luxurious exfoliation, leaving your skin looking and feeling younger after the first use. www.sveltatan.com

BoxyCharm

Keep your finger on the pulse of beauty trends with BoxyCharm, a monthly beauty box subscription service that provides subscribers with a box of high-end beauty products. Brands include Nars, Elizabeth Mott, and Essie. www.boxycharm.com

BioElixia

The BioElixia New Mommy Essentials Kit includes Stretch Mark Diminishing Creme, Firming and Toning Body Lotion, Multi-Purpose Rescue Balm, and a Pure Cactus Bristle Dry Brush. All products seek to improve the texture and tone of a new mommy's

skin. www.bioelixia.com
