

European Innovation Academy (EIA)

At EIA, the world's largest study abroad program, our students experience an innovation journey starting from team formation to pitching to investors.

About

European Innovation Academy has become a recognized leader in tech entrepreneurship education. Their nonprofit, educational programs are developed through joint partnerships with professionals from the world's top institutions including: Stanford University, UC Berkeley, and Google. EIA has 650+ participants and over 100 mentors and speakers from companies like Alchemist Accelerator, Airbnb, Facebook, Google, Adobe, and Microsoft.

Support Opportunity:

Make a gift to support student tuition and travel to EIA.

Ariella Carter '18

Entrepreneurship Major

“

Hundreds of entrepreneurs from around the world gathered in one place for three weeks to ideate, create, learn, pitch and explore—it doesn't get better than that. EIA is an experience that pushed me academically, spiritually, emotionally and relationally. It was a great opportunity to experience new cultures and places, and meet new people, while having the familiarity of fellow GCC peers with me for the journey.

If you are interested in offering support, please contact your Grove City College Development Officer or the GCC Office of Development at 724.458.2992.
