

E+I FELLOWS
 Placing interns at local organizations in need, at **no cost** to the host.

About

The Center for Entrepreneurship + Innovation at Grove City College provides a unique opportunity for nonprofits, startups, and small businesses in the Western Pennsylvania area to receive **much needed help without the financial burden of hiring traditional interns or employees** by placing highly driven students at internships with local organizations. E+I pays student Fellows **\$25/hour** to help increase organizational capacity, health, and growth.

For an organization to receive consideration for acceptance as a host for the E+I Fellows program, they must submit the formal application and be located **within two hours of Pittsburgh, PA.**
